Join the Commercial Energy Co-op & Save Money

The Greater Severna Park and Arnold Chamber of Commerce members can now join the Commercial Energy Purchasing Cooperative brought to you by CQI Associates who has negotiated prices with licensed electricity and natural gas suppliers to get the lowest rates to you. All you have to do is JOIN.

Call CQI Associates at 410-740-0667 for further information

Frequently Asked Questions

1. What makes the Commercial Energy Purchasing Cooperative preferable to anything else available?

The Commercial Energy Purchasing Cooperative was formed with the express purpose of providing consumers savings, budget stability and choice.

2. What is the benefit of joining a Purchasing Cooperative rather than going directly to a third party supplier?

Every time a member joins the Commercial Energy Purchasing Cooperative it increases consumer purchasing power that results in giving us (the consumer), individually and as a whole, the power of purchasing electric and natural gas at more affordable, consistent rates and at prices lower than what is available to the individual business.

3. What happens if we lose power? Who do we call?

You call your local distribution company. The process doesn't change. Same service...better price.

4. Who is CQI Associates?

CQI Associates, LLC is a Columbia, Maryland-based, licensed and bonded energy management and procurement firm which has been in business for over 20 years aiding commercial and residential customers nationwide. CQI is the energy expert.

5. How do I learn more?

Refer to: www.cqiassociates.com and click on the Commercial Energy Cooperative button on the Home page. CQI is hosting a series of informational webinars. Go to www.cqiassociates.com and click on the date you would like to participate.

6. How do I sign up?

Changing to a third party supplier is easier than one thinks. CQI Associates remove the burden and guides you through the simple process from start to finish. **Once you lock in your lower fixed energy rate, you will receive one bill from your local utility company. Nothing changes except you receive lower rates. To start the process call CQI Associates at 410-740-0667.**
